# JUNE NEWSLETTER 2018

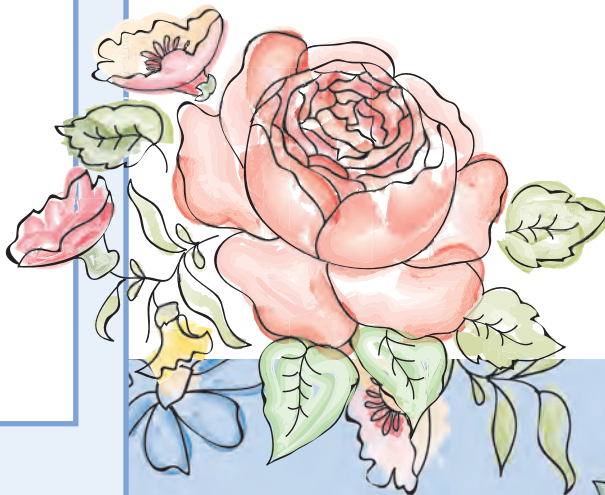

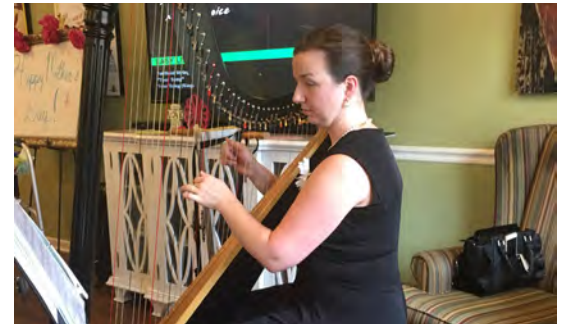

## ***Hello Residents,***

We are proud to announce that the Weston Group will be joining Rosewood in June. The Weston Group is a full service rehabilitation company that will have a therapy clinic right here at Rosewood. They are committed to comprehensive therapy programming and the development of a full continuum of services designed to meet your unique needs. Weston uses an interdisciplinary team of experts who are dedicated to improving your wellbeing and maintaining the highest level of independence possible. Most insurance plans are accepted. Prior to starting therapy, Weston will contact your insurance company to assist you in understanding which therapy services are covered.

Weston therapists will work closely with your physician, home health providers, family and Rosewood staff to quickly identify any problems or risks you may have. The Weston Group is nationally recognized for their advanced therapy techniques and interventions. They have been providing skilled therapy services in Assisted Living and Memory Care communities since 1992. Here are a few programs offered: Fall Prevention Mgt, Cognition and Keeping Brain Healthy, Managing Low and Reduced Vision Issues, Urinary Incontinence Mgt, Transitions — a PT based program focused on balance, mobility, breathing, and stair stepping, KOLA. We will be announcing an Open House to welcome them to Rosewood soon. Hope you are excited!

## ***Mother's Day Celebration - Assisted & Personal Care – May 9th***

What a wonderful time we all had as we celebrated Mother's day. All the women were so beautifully adorned in colored corsages. We all enjoyed chatting with old friends as well as new ones, as the sound of melodious harp music flowed through the air. It was a great afternoon and one we will remember for a long while. The snacks and punch were tasty, and who can forget the scrumptious strawberry shortcake covered in all that creamy whipped cream?

### ***The Rosewood Management & Staff says THANKS!***

We would like to say thanks for all the support from the residents' families! We appreciate your kind words of gratitude that you show to all of us daily. We thank you for greeting cards, letters, baked goods, pats on the back, hand shakes, and smiles. We thank you for donated movies, magazines, art supplies, fabric, bingo supplies, and seasonal decorations. We enjoy what we do and are proud to serve in the Rosewood Senior Living Community, and with your continued support, we know that our service will continue to grow greater in the years to come! Again, from all of us here at Rosewood, we say THANKS!

### ***Heritage Middle School Dance Team – May 9th***

The girls from the Heritage Middle School Dance Team came to visit and brought the FUN! The dancers helped our Memory Care residents paint flower pots for our Courtyard, played games, and they finished their visit with a dance performance. The residents had a blast and even learned what a “selfie” was! Thank you, Generals, for such a wonderful time!

### ***Baking with Mom: A Mother’s Day Event! – May 11th***

Celebrating moms at Rosewood was such a delight! We started our day soaking up the morning sun in the courtyard while sipping fresh peach “Mom-mosas”. Our next adventure was making hand-made apple dumplings with family and friends. We served our dumplings fresh from the oven with a heaping scoop of vanilla bean ice cream. After a wonderful lunch, we continued the pampering with manicures and hand massages. After a busy day of activities, it was nice to just cozy up and watch a good movie until dinner.

***Staff Wheelchair and Scooter Racing***  
*June 7th*

All staff are invited to participate in the fun wheelchair or scooter racing event. Gather your team and get ready to have a fun time racing. The races will be held on June 7, 2018. ## JUNE FUN FACTS

- June in other languages: Chinese (Mandarin) - Liùyuè, Danish - Juni, French - Juin, Italian - Giugno, Latin - Iunius, Spanish - Junio
- June in the Northern Hemisphere is similar to the month of December in the Southern Hemisphere.
- In any year, no month begins on the same day of the week as June.
- Solstice comes from the Latin words “sol” meaning Sun and “sistere” meaning to come to a stop or stand still. On the day of the June solstice, the Sun reaches its northernmost position, as seen from the Earth. At that moment, its zenith does not move north or south as during most other days of the year, but it stands still at the Tropic of Cancer. It then reverses its direction and starts moving south again.
